# SEPTEMBER 2018

### FPK in Summer?

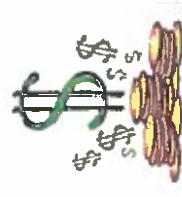

It is still the good old summertime and this year at FPK we began with an imaginary trip to the ocean! We discovered all kinds of things while visiting there...and it was fun! I'll even guess that you have some beautiful artwork hanging on your refrigerators as a result of our pretend trips to the ocean! Soon it will be time to have apples hanging in our trees and pretty leaves, too. We will learn more of our shapes and colors. Johnny Appleseed has a birthday in September, you know, and we are sure to sing "Happy Birthday" to him on his special day. What fun lies ahead!

### CAUTION!

Artists at work!

We will be saving some Masterpieces for the April Art Show!

### Fall Phone Conferences

Parents, please note that the teachers will be checking in with you during September or October to have a short chat with you to see if you have any questions about your child.
